CONDITIONS OF ENTRY

The nomination form and any addendum must have been submitted by the specified date and completed to the satisfaction of the awards selection panel. The awards selection panel will comprise one representative from each of AIDN-NT Committee, NT Government (Defence Support Division) and the Department of Defence. Nominees must be businesses resident in the NT and engaged in or soon to be engaged in work for the Department of Defence or one of its defence contractors. The awards selection panel reserves the right to contact nominees for further information in support of their nomination. The information provided in this nomination form is for the purpose of assessing eligibility for an award only and will not be used for any other purpose. The awards selection panel may visit finalists in their workplace to assist further in the assessment of a nomination and to discuss entry information with nominees, if required.
