**STATEMENT BY THE MANAGEMENT COMMITTEE
FOR THE YEAR ENDED 30 JUNE 2020**

In the opinion of the Management Committee the financial statements comprising the statement of financial position, statement of profit or loss and other comprehensive income, statement of changes in members' funds and notes to the financial statements, being special purpose financial statements:

- (a) are drawn up so as to present fairly the state of affairs of the Association as at 30 June 2020 and the results of the Association for the year ended on that date;
- (b) the accounts of the Association have been properly prepared and are in accordance with the books of account of the Association; and
- (c) as at the date of this statement, there are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due.

Committee Members

The names of the committee members throughout the financial year and at the date of this report are:

Position	
President	Andrew Jones
Vice President	Gary Oorloff
Treasurer	Alice Beilby (term commenced 28/11/19)
Secretary	Sally-Ann Talbot
Public Officer	Adrian Leach
Executive	Geoff Crowhurst (term ended 28/11/19)
Executive	Garth Beechey (term ended 28/11/19)
Executive	Mark Cambell
Executive	Shar Turner (term ended 28/11/19)
Executive	Steven Ludwig (term commenced 28/11/19)
Executive	Jim Walker (term commenced 28/11/19)
Executive	Tuesday Turner (term commenced 28/11/19)

Staff

CEO	Kerryn Smith
-----	--------------

Principal Activity

The principal activity of the Association during the financial year was to represent the interests of the SME Australian Defence Industry sector by advocacy, representation and member services.

Significant Changes

No significant changes in the state of affairs of the Association occurred during the financial year.

Operating Results

The surplus of the Association for the financial year ended 30 June 2020 amounted to \$68,414 (2019: deficit \$24,327).

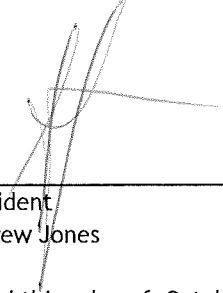

AUSTRALIAN INDUSTRY AND DEFENCE NETWORK -
NORTHERN TERRITORY (AIDN-NT) INCORPORATED

STATEMENT BY THE MANAGEMENT COMMITTEE
FOR THE YEAR ENDED 30 JUNE 2020

After Balance Date Events

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operation of the Association, the results of those operations, or the state of affairs of the Association in future financial years.

This statement is made in accordance with a resolution of the Management Committee and is signed for and on behalf of the Management Committee by:

President
Andrew Jones

Dated this day of October 2020.

INDEPENDENT AUDITOR'S REPORT

To the members of the Australian Industry and Defence Network - Northern Territory (AIDN-NT) Incorporated

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of The Australian Industry and Defence Network - Northern Territory (AIDN-NT) Incorporated (the "Association"), which comprises the statement of financial position as at 30 June 2020, the statement of profit or loss and other comprehensive income and the statement of changes in equity for the year then ended, and notes to the financial report, including a summary of significant accounting policies, and the Statement by the Management Committee.

In our opinion the accompanying financial report presents fairly, in all material respects, the financial position of the Association as at 30 June 2020 and of its financial performance and its cash flows for the year then ended in accordance with the basis of accounting described in note 1.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report. We are independent of the Association in accordance with ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter - Basis of accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the Association to meet the requirements of *Northern Territory Associations Act*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of Management Committee for the Financial Report

The Management Committee is responsible for the preparation and fair presentation of the financial report, and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of *Northern Territory Associations Act* and for such internal control as Management Committee determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Management Committee is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

The Management Committee is responsible for overseeing the Association's financial reporting process.

Auditor's responsibilities for the audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website (<http://www.auasb.gov.au/Home.aspx>) at:

http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf

This description forms part of our auditor's report.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2020

1. Significant accounting policies

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated.

Basis of preparation

In the Management Committee's opinion, the Incorporated Association is not a reporting entity because there are no users dependent on general purpose financial statements.

These are special purpose financial statements that have been prepared in compliance with Northern Territory Associations Act 2003. These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the AASB and the disclosure requirements of:

AASB 101 Presentation of Financial Statements;

AASB 107 Cash flow Statement;

AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors;

AASB 1048 Interpretation of Standards;

AASB 1054 Australian Additional Disclosure, as appropriate for not-for-profit entities.

Historical cost Convention

The financial statements have been prepared on an historical basis and do not take into account changing money values or, except where specifically stated, current valuations of non-current assets. The concept of accrual accounting has been adopted in the presentation of the financial statements. The accounting policies have been consistently applied, unless otherwise stated.

Income tax

The Association is considered to be exempt from income tax under section 50-10 of the *Income Tax Assessment Act 1997*.

Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

AUSTRALIAN INDUSTRY AND DEFENCE NETWORK -
NORTHERN TERRITORY (AIDN-NT) INCORPORATED

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2020

1. Significant accounting policies

Revenue recognition

Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which the incorporated association is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the incorporated association: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

(i) *Grants*

Grant revenue is recognised in profit or loss when the incorporated association satisfies the performance obligations stated within the funding agreements.

If conditions are attached to the grant which must be satisfied before the incorporated association is eligible to retain the contribution, the grant will be recognised in the statement of financial position as a liability until those conditions are satisfied.

(ii) *Membership fees*

Membership fees are invoiced to members on an annual basis. The revenue is brought to account in the period to which the membership fees relate, and to the extent that it relates to the subsequent period it is disclosed as a liability.

(iii) *Interest income*

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

(iv) *Other revenue*

Other revenue is recognised when it is received or when the right to receive payment is established.

Goods and services tax

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST) except where the amount of GST incurred is not recoverable from the taxation authority. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the statement of financial position.

AUSTRALIAN INDUSTRY AND DEFENCE NETWORK -
NORTHERN TERRITORY (AIDN-NT) INCORPORATED

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2020

1. Significant accounting policies

Trade and other receivables

Receivables are stated at their cost less impairment losses.

Trade receivables are recognised at original invoice amounts less an allowance for uncollectible amounts. Collectability of trade receivables is assessed on an ongoing basis. Debts which are known to be uncollectible are written off. An allowance is made for doubtful debts where there is objective evidence that the entity will not be able to collect all amounts due according to the original terms. Objective evidence of impairment include financial difficulties of the debtor, default payments or debts more than 90 days overdue. On confirmation that the trade receivable will not be collectible the gross carrying value of the asset is written off against the associated provision.

Trade and other payables

Payables are stated at cost. They represent unpaid liabilities for goods received by and services provided to the entity prior to the end of the financial year. The amounts are unsecured and are normally settled within 30 days.

Property, plant and equipment

The cost method of accounting is used for all acquisitions of assets. Cost is measured as the Items of property, plant and equipment are depreciated on a reducing balance basis over The depreciation rates used for each class of depreciable assets are:

Plant and equipment	37.50%
Furniture and fittings	18.75%

Intangible Assets

(i) Website Creation

Website creation is initially recognised at cost. It has a finite life and is carried at cost less any accumulated amortisation and impairment losses. Website creation has an estimated useful life of between one and three years. It is assessed annually for impairment.

Employee benefits

Wages, salaries, annual leave and non-monetary benefits

Liabilities for employee benefits for wages, salaries, annual leave and non-monetary benefits that are expected to be settled within 12 months of the reporting date represent present obligations resulting from employees' services provided to reporting date, are calculated at undiscounted amounts based on remuneration wage and salary rates that the Association expects to pay as at reporting date, including related on-costs.

AUSTRALIAN INDUSTRY AND DEFENCE NETWORK -
NORTHERN TERRITORY (AIDN-NT) INCORPORATED

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2020

1. Significant accounting policies

Critical accounting estimates and judgements

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

Employee benefits provision

The liability for long service leave is recognised and measured as the amount unpaid at pay rates in respect of employees at the reporting date after they have completed five years of service. In determining the value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

Impairment of assets

The Association assesses impairment at each reporting date by evaluating conditions. No impairment has been recognised in respect of property, plant and equipment for the year ended 30 June 2020.

New Accounting Standards and Interpretations not yet mandatory or early adopted

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet mandatory, have not been early adopted by the Management Committee for the annual reporting period ended 30 June 2020. The Management Committee has not yet assessed the impact of these new or amended Accounting Standards and Interpretations.

New or amended Accounting Standards and interpretations adopted

The Association has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Impact of adoption

AASB 15, AASB 16 and AASB 1058 were adopted using the modified retrospective approach and as such comparatives have not been restated. There was no impact on opening accumulated funds as at 1 July 2019.
